PTV SCIENCES ANNOUNCES NEW PREFERRED PARTNERSHIP

Austin and Houston, TX – September 22, 2010 – PTV Sciences (“PTV”), a healthcare venture capital and growth equity firm, is pleased to announce a new partnership with VitalShift, LLC.

VitalShift is a strategic advisory firm that partners with CEOs of venture backed medical technology firms to integrate high growth business with organizational strategy. VitalShift will serve as a preferred partner to PTV Sciences, working with portfolio CEOs to accelerate company growth by clarifying and prioritizing strategic goals and aligning organizational capabilities to increase productivity.

The founders of VitalShift, Michael Rechiene and Sandra Thompson, have extensive experience working as medical device and healthcare executives, both leading and transforming several global companies from average to high growth results.

Michael Rechiene spent 16 years at Johnson & Johnson, working across the medical device, consumer and pharmaceutical sectors. He most recently served as Worldwide President of Animas Corporation, building and leading one of the fastest growing medical device companies within Johnson & Johnson.

Sandra Thompson has held management board level roles in the healthcare and technology industries, including 10 years at Johnson & Johnson where she most recently led emerging market new business ventures, post acquisition integration, and human resources teams in the medical device sector.

Rick Anderson, Managing Director of PTV Sciences, commented, “Mike and Sandra both add significant capabilities to PTV Sciences and our portfolio companies. We have worked extensively with these two leaders, and the value they create for our portfolio will be meaningful. We are very proud to have them join us and look forward to working with them extensively.”
